Custom Lid Design & Manufacturing

Date Founded: 1985

Corporate Description

LidWorks is a premier manufacturer of specialty lid products for foodservice applications operating domestically since 1985. With unique custom capabilities, advanced engineering expertise and innovative design resources, LidWorks can design a lid to fit your exact needs while enhancing your brand. Capabilities include printing, embossing, specialty colors and design, in addition to more traditional lids for hot, cold and frozen beverages and containers. For more information regarding LidWorks please visit our website and online catalog at www.Lid-Works.com.

Categories Represented

Custom, printed, and unprinted lids for food and beverages in the foodservice industry.

Major Products Services/Brands

- ▶ Customized lid designs to meet your unique need
- ▶ Print capability to advertise your brand
- ▶ In-house engineering & design
- ▶ Lids for every application: hot, cold, frozen
- ▶ Recycled-content lids
- ▶ Innovative foodservice solutions

Category/Product Innovation

LidWorks prides itself on being an innovative and forward-looking organization. Let us design a custom lid specifically

for your product that enhances your customer's experience and reinforces your brand.

Advertise your brand, your latest menu item, promotion or seasonal theme where the customers are most

likely to see it—on the lid! Create a wow factor through print!

Ensure an effective lid fit even if using multiple cup suppliers and substrates, guaranteed.

Optimize the product and packaging for your specific logistic and operational needs.

Solve unique or new application conditions or requirements.

Create a design that is innovative and uniquely yours.

Provide a lid that works with your dispensing system. ■
